Royal Academy of Engineering
.... Regional Seminar on
Transport and Sustainability
Promoting Innovation

Attendance at the
WORKSHOP
will be **FREE**

The Royal Academy of Engineering, together with the University of Southampton will host a **REGIONAL WORKSHOP** on Transport. The workshop will include presentations from **Government, major industrial players, and academics** from across the region. It will provide a unique opportunity to build relationships to take advantage of the new initiatives for research and development in Intelligent Transport Systems and Services which are being promoted by EPSRC, DfT, SEEDA and others. Also, substantial funding from the EC 7th Framework Programme will begin next year.

Monday 27th November 2006
Chilworth Manor, Chilworth, Southampton. SO16 7PT

Please contact Professor Mike McDonald, email: mm7@soton.ac.uk,
Telephone: 023 8059 2192 to find out more about the **EVENT** and to book a place.
